Chapter 1: Introduction

Philosophy

The purpose of the Battle of the Books program is to encourage reading by all students. Students, regardless of ability, are exposed to quality literature representing a variety of literary styles and viewpoints by prominent authors in the area of young adult literature. The game format creates interest and excitement in reading. Through the fun and excitement of the competition, students improve reading skills, mature in their choices of reading materials, and acquire a broader knowledge base. Even during the height of the competition, students and coaches should remember that the goal is to READ, not necessarily to win!

History

North Carolina's Battle of the Books can be traced back to a public radio program in Chicago in the 1940s originated by Ruth Harshaw. Librarians exposed to the original show reconstructed the game to encourage reading today.

Michael Leonard, an Illinois native, first introduced the contest in Onslow County when he accepted the position of Children's Librarian for the Onslow County Public Library. His rationale for placing it at the sixth grade level was the dearth of activities in the public library and in the public schools for this aged child. In 1981, Onslow County Public Library sponsored the first North Carolina Battle of the Books contest for sixth graders.

The North Carolina Association of School Librarians assumed sponsorship of Battle of the Books in 1991. In 2000, the North Carolina School Library Media Association (NCSLMA) became a sponsor of Battle of the Books, and independent schools became a region for competition. The first state competition of Battle of the Books was held in 2001-2002. NCSLMA coordinates the program on a statewide basis.

In 2013, the NCSLMA Executive Board agreed to partner with the NC Association for Scholastic Activities (NCASA). NCASA member schools can now add points toward the Middle School Cup for participation in Battle of the Books.
Chapter 2: Organization

Battle of the Books is organized locally by the participating school system, regionally by a regional committee, and statewide by NCSLMA.

Responsibilities of System and/or Regional Committees

Primary Responsibilities of System and/or Regional Committees

1. Promote and organize a Battle of the Books reading incentive program for students.
2. Schedule planning meetings for schools and/or school systems that plan to participate in the program.

Appoint coordinators to the following areas of responsibility at system and regional competitions: Awards, Officials, Publicity, and Site.

Awards

The State BOB Committee will provide certificate masters for both system level and regional battles. It is suggested that the regional awards be Olympic-style medals: gold for members of the first place team, silver for members of the second place team and bronze for members of the third place team. System level awards could be a traveling plaque or trophy.

1. Certificate masters may be downloaded from the NCSLMA website.
2. Funding for awards at the system and regional levels is the responsibility of participating schools and regions.

Officials

Each system and regional coordinator will contact and secure all officials and advise the officials of their duties. The officials for the Battle should be knowledgeable of and have an interest in children’s and young adult literature and be trained in their position prior to the start of the competition. High school students may be used only as ushers and at the discretion of the coordinators at the elementary and middle school levels.

      v. Moderator may repeat question, if requested.
   c. Wait for confirmation from judge on correctness of answer before moving to the next question.
   d. Announce scores at the end of each round.

The regional representatives serve as regional liaisons with the State Committee. In addition to the primary responsibilities listed below, this committee is also responsible for coordinating awards, officials, publicity, and the site for the State Battle of the Books competitions. Committee members will participate at their own expense except for lodging as provided by NCSLMA guidelines.

Chapter 4: Battle of the Books Rules

1. A team will consist of a maximum of 12 members with 6 members allowed to play during a round. Accompanying the team to competition will be the head coach and one assistant coach. There will be no minimum number of players, and substitutions will be allowed between rounds only. Violation of this rule will result in a team’s immediate disqualification from the competition.

2. Order of play will be pre-determined by the competition coordinator(s), with each team having an equal opportunity to receive the first question in a round.

3. A round will consist of 12 questions at the state competition. Number of questions per round (6, 8, or 12) may be determined by the district and/or regional coordinators.

4. The moderator will read each question once and will repeat it once upon the request of the team member assigned the question. (The clock will continue to run while the question is repeated).

5. The moderator will say the team member's name, state the question, and repeat the team member’s name to start the time. Once a team member has been designated to answer the question, 20 seconds will be allowed to start the answer. The questions will be answered by team members in sequential order. The person answering may get help from his/her teammates within the 20-second time limit, but he/she may not confer until the moderator repeats the team member’s name a second time. Once the answer has begun, no more conferring is allowed and a complete answer must be given.
   a. If any coach or member of a team confers or appears to confer at an inappropriate time, or displays unsportsmanlike conduct, the team will receive a warning from the judges (see Appendix H).
   b. Additional offenses will result in the offending team forfeiting its opportunity to respond.
   c. The question will be read again and addressed to the next player in sequence on the opposing team as a rebound question. (Time will be 10 seconds and score for a correct answer will be two points).

6. Two (2) points will be awarded for each correct book title as it appears on the official booklist. Judges will disregard articles such as “a,” “an,” and “the” at the beginning of all titles. One (1) bonus point will be awarded for the name of the author as it appears on the official booklist. A team cannot earn bonus points for the author's name unless the title has been stated correctly. Judges' decisions are final.
7. If a team fails to answer the question correctly within the allotted time, the question will be read again and addressed to the next player in sequence on the opposing team, who will have 10 seconds in which to begin the answer. The second team offered the question cannot confer until the question has been addressed to them or the team will forfeit its opportunity to respond. Points can only be earned for the title. The play will resume with the next question being directed to that same player.

8. At the regional and state level each team will compete with all other teams. The team having the highest cumulative score at the end of all rounds will be declared the WINNER. In the event of a tie, the tiebreaker rule will apply (see below). Teams must compete in all of their scheduled rounds. If a team leaves prior to completing their scheduled rounds, all rounds in which they competed will be deleted from final scoring.

9. The head coach will accompany their team and sit in the designated competition area while their team is competing. Except for tent cards and team posters, team members and coaches may not carry any materials into the designated competition area.

10. Conferences between team members and their coaches will be prohibited during rounds. However, conversation will be allowed during the interval between rounds and at scheduled breaks.

11. Challenges (to questions, answers, procedures, or time) will be handled in the following manner:
   
   a. A team member or coach will raise his/her hand and call out “TIME” immediately following the action to be challenged and before the question is redirected or the next question is asked. Only team members and designated coaches will be allowed to challenge.
      
      ● Coaches can only challenge time, scoring, or rotation. Question content may not be challenged by coaches.
      
      ● Participating team members may challenge procedural issues and content of the question directed to their team.
   
   b. Challenges should not be based solely on pronunciation of title or author.
   
   c. The coordinator will quietly confer with the team and report the concern directly to the judges, using the appropriate challenge form. (See Appendix F).
   
   d. If a team challenges the correct answer that has been provided, the team will be given three minutes to locate verification. Timing should begin when the
team is given the book and the judge says, “BEGIN TIME”.

- If verification is found, the points will be awarded.
- If verification cannot be found in the allotted 3 minutes, the question will be redirected to the opposing team and play will resume.
- During the verification process, the challenging team may confer. There should be no talking, conferring, or appearance of conferring by the opposing team.
- Once the judges have reached their decision, the coordinator will relay the form to the moderator who will then announce the challenge and decision to the audience, and the battle will resume.
- THE JUDGES’ DECISION IS FINAL.

12. If there is audible prompting from the audience, the question will be disqualified.

13. There will be no entering or exiting the competition area during a round, with the exception of competition officials.

14. At competition, neither team members, coaches, nor audience members may have copies of books on the current Battle of the Books list IN ANY FORMAT.

15. To prevent distractions and maintain the integrity of the competition, no video or audio recording is allowed at any time. Photographing is only permitted before and after the competition.

16. Young children under the age of 5 are not allowed to attend competition rounds.

17. Cell phones, laptops or tablets, and all other electronic devices must be powered off during the competition. With the exception of officials, no one present in the competition room should have a visible cell phone, camera, or electronic device during the competition at any time.

18. No team members should have a cell phone, timing device (including watches), or other electronic device during competition.

19. The Regional Competition will consist of one team from each district competition. State Competition will consist of the one winning team from each region. Teams may only compete in one regional competition.

20. The tiebreaker round will consist of 12 questions. Scoring will start at zero. Rounds will continue until a winner is determined. If more than two teams are tied, each team will play each other, and the team with the highest cumulative score at the end of play will be the winner. (Points are not added to the cumulative scores from the
preliminary rounds).

Appendix A: Guidelines for Question Preparation, Use, and Acquiring Questions

Overview for Question Preparation

1. After the book lists are finalized by the State Battle of the Books Committees, books are assigned to the State Battle of the Books Committee members for reading and preparing questions.

2. Questions must be typed in the following format:
   - Question: In which book ...
   - Title:
   - Author:
   - Page number:
   - Book format:

3. Questions must be submitted to the State Battle of the Books Committee by the indicated date to be edited, duplicated, and distributed.

4. System and regional level participants in the Battle of the Books program will utilize questions provided by the State Battle of the Books Committee. The quality of questions is most important to good “battles.” To maintain the integrity of the questions and the yearly competition, questions will not be distributed following the competition. Likewise, videotaping of the competition will not be allowed.

5. Practice and school level questions will be the responsibility of school coaches, and will not be supplied by the NCSLMA State Battle of the Books Committee.

Guidelines for Writing Questions

1. Read the book once through in its entirety before writing questions.
2. Use the provided Excel Template
3. Write system, (easier), regional (moderately difficult), and 20 state (most difficult) questions. (Note: state questions only apply to the middle school competition)
4. Highlight the passage in the book. Please use three different highlighter colors, one color for system, another for regional and one for state. (any color you choose) Please do not leave post it notes in your book.
5. Avoid using character’s names in questions.
6. Avoid pronouns such as he, she, her and his as much as possible and still maintain proper grammar.
7. Avoid using names of major setting locations.
8. Proper names of places remote to the setting can be used.
9. Do not use a major word that appears in the book’s title.
10. Avoid questions that can be answered by more than one title. In which book do characters become involved in a military conflict? *The War That Saved My Life and A Night Divided.*
11. Avoid rather vague questions. In which book is a family terribly worried about their father? This statement is in *I am Malala* but it could also appear in other books.
12. Run Spell check.
13. Do not use information written by people other than the author. Epilogues, prologues, and notes written by the author will be used to write questions.

**Suggested Use of Practice Questions**

- Type each question on an individual 3" by 5" card and file cards by book title.
- Prepare question packets with a blank card on top for documenting which teams have completed a set.
- Prepare a Battle of the Books center to encourage individual use.

**Procedures for Acquiring Questions**

The Regional Coordinator or designee shall:

- receive questions;
- distribute questions to System Level Coordinators; and
- discuss the policies and procedures associated with receiving, distributing, and securing questions.

**Receiving Questions**

- Questions will be delivered electronically via e-mail to the Regional Coordinator or designee.
- Regional Coordinators that are coaches must complete the Designee Identification Form and email it to the designated State committee member.
- Fill in the Regional Coordinator or designee information on the System Level Question Request Form before sending it out.
- If a designee is assigned, notify System Level Coordinators of the change and explain why—Regional Coordinators that have a team may not receive the questions.
- Forward a copy of the System Level Request Form to each System Level Coordinator.
- Completed forms should be returned to the Regional Coordinator or designee.

**Distributing Questions**

- The Regional Coordinator or designee will distribute questions to the System Level Coordinator.
- Schools that are the sole participants in their school system, therefore unable to participate in a system level competition against 1 or more schools will NOT receive system level questions.
- Questions may not be used for practice or any other purpose except the competition.
- The Regional Coordinator or designee will determine the number of rounds to be
distributed. The number of rounds sent will be determined by the number of teams competing plus six (6) extra rounds for tiebreakers and to cover other situations.

- Use the following table to determine the number of rounds each system will receive. Remember the number of rounds is based on the number of teams competing:

Appendix G: Challenged Title Guidelines

Suggested Guidelines for a Challenged Battle of the Books Title

The NCSLMA State Battle of the Books Committees has set high standards and employed exemplary professional procedures in its selection of Battle of the Books titles. Since participation in the program is voluntary, the following guidelines are suggested for handling a challenged title:

1. Follow the district’s policies and procedures for reconsideration of materials.

2. If the district votes to remove the book, it may be eliminated from their district competition.

3. The district is still eligible to participate in competition at any level. However, questions at the regional and state levels will contain questions from all books.

4. The NCSLMA School State Battle of the Books Committee reserves the right to make the final decision for removing any title handled by local reconsideration committees from the statewide list.
Appendix H: Warning Form

RULE: If any coach or member of a team confers or appears to confer at an inappropriate time or displays unsportsmanlike conduct, the team will receive a warning from the judges. Additional offenses will result in the offending team forfeiting its opportunity to respond.
